

# 36 Numbers for Sunday October 26 for NY

The fact that every number that has hit New York lately has been a **Core** number (the numbers in lines 2, 3, 4, 5 on the Basic Box list of 85 numbers) is making me question a few things.

Maybe I should just focus on this shorter list, which is many times around 36 numbers.

Below you will see the output of the Basic Box, DTD, and Group Matching System programs.

The 36 numbers for NY today (Sunday October 26) are in red.
