

The 15 Number Strategy

Comment: In my opinion, the Basic Box program is exceptionally good. The only caveat is the cost if one does not play on line.

My Response: True; this is a system you use online. However, each line only has 15 numbers (except for line 6 which has 10 numbers). Here is a great strategy:

Pick ONE of the 4 main lines (2-3-4-5).

Only play these 15 numbers.

For example, 923 hit New York on Wednesday; and it was on line 4.

Something to keep in mind: it does NOT matter which of the 4 lines you pick (2, 3, 4, or 5), you WILL get at least ONE hit every single month!

In all likelihood you will get 3 to 4 hits per month!
