

Prayer Profile

I will be adding a **Prayer Profile** section to pick3programs.com where members can post their profile and email.

This way members can email each other and share ideas.

Example:

NAME: John (your first name)

STATE: New York (state you live in)

EMAIL: aa2newyork@aol.com (your email - one you are willing to have people email you about Pick3 topics)

JOINED: December 2013 (month-year you joined pick3programs.com)

ABOUT ME: Here write about your favorite technique, system, or program. Talk about your specific approach to the game. Maybe what you learned recently. You can also talk about what tends to work for your and maybe what you are currently working on or testing. Be creative. Talk about whatever you like here (as long as its Pick 3 related).

Once completed, email me this information.

My email is aa2newyork@aol.com

This only applies to those who are current paid members of pick3programs.com.
