

Pick 3 Genius for June 1, 2015

Today is Monday June 1.

Let me show you a really cool strategy where I combine the brand new **Hit Parade** system and the **Super Six** program.

FIRST, identify the two most due lines on the Hit Parade list.

As of today, the two most due lines in New York are lines 3 and 4.

This means that these 20 numbers are the most due.
(At least one number from the other lines have hit.)

Hit Parade 100

1--	012	013	015	017	018	019	023	024	025	026
2--	027	028	034	035	036	037	038	045	046	047
3--	048	049	056	058	059	068	078	079	089	123
4--	124	125	126	127	128	129	134	136	137	138
5--	139	146	148	149	157	158	159	167	168	169
6--	178	179	189	234	236	237	238	246	248	249
7--	256	257	258	259	267	268	269	278	345	346
8--	347	348	349	357	358	359	368	369	378	379
9--	389	456	457	458	467	468	469	478	479	489
10--	567	568	569	578	579	589	678	679	689	789

NOW, here is the genius part:

I will get the playlist from the Super Six program and match it up with this list to find the 2-way matching numbers.

Super Six - May 31

10 Numbers used: **111 910 503 255 928 367 146 957 607 119 520 346**

Digit Distribution Box

1 5 9

0 6 7

2 3 4

Hottest Digits for the Next Two Drawings: 1-6-4

Coldest/Missing: 8

Visual Digit Distribution:

1 5 9 0 6 7 2 3 4 8

1 5 9 0 6 7 2 3

1 5 9 0 6 7

1 5 9

1

1

1

Super Six 1-6-4-8-2-5

124 125 126 128 145 146 148 156 158 168

245 246 248 256 258 268 456 458 468 568

Now I have two lists:

3--048 049 056 058 059 068 078 079 089 123

4--124 125 126 127 128 129 134 136 137 138

and

Super Six 1-6-4-8-2-5

124 125 126 128 145 146 148 156 158 168

245 246 248 256 258 268 456 458 468 568

Do you see any numbers REPEATING???

Yeap: the 12X numbers jump out:

3--048 049 056 058 059 068 078 079 089 123

4--**124 125 126 127 128** 129 134 136 137 138

Super Six 1-6-4-8-2-5

124 125 126 128 145 146 148 156 158 168

245 246 248 256 258 268 456 458 468 568

However, to be more exact, I will enter both lists on the **Group Matching** program:

Group Matching System

40 Numbers used: 048 049 056 058 059 068 078 079 089 123 124 125 126
127 128 129 134 136 137 138 145 146 148 156 158 168
245 246 248 256 258 268 456 458 468 568

2-Way Match: **124 125 126 128** (4)

1-Way Match: 048 049 056 058 059 068 078 079 089 123 127 129 134 136
137 138 145 146 148 156 158 168 245 246 248 256 258 268 456 458 468
568 (32)

Yes, we are correct.

I would add **127** to this list.

CONCLUSION:

The five hottest numbers to play in NY right now are

124, 125, 126, 127, and 128.

DO THE SAME FOR YOUR STATE

1-Find the most due 2 lines from the Hit Parade List.

Start with the most recent hit, see where it's on the list, and then CROSS OFF that list. Continue in this fashion until you only have TWO lines left; the most due numbers will be on these two lines.

2-Cross reference these 20 numbers with the 20 numbers from the Super Six program.

3-Play the 2-way matching numbers.

Pick 3 Coach
