

VOLUME 2 Will Be Up Today!!

This book is AMAZING!

If you liked Volume 1, you will LOVE Volume 2!

**This is one of the best things I have ever written.
I am sure you will be incredibly impressed with what you will learn in this
book. This book is about getting STRAIGHT HITS in the Pick 3 game!**

If you did not read Volume 1, I suggest you read it **first**.

Volume 1 is here: <http://www.amazon.com/dp/B00X70WHXE>

For reasons that I explain in the book, the straight number system works best if I focus on one state at a time. I focus on New York in Volume 2. However, I will be covering other states in future volumes.

Here is a preview of the future volumes:

Volume 3: The Straight Number System in Florida

Volume 4: The Straight Number System in Texas

Volume 5: The Straight Number System in North Carolina

Volume 6: The Straight Number System in South Carolina

However, the information on Volume 2 is good for ALL states; I am just using New York numbers on this specific volume.

This is Very Important:

The purchase of this volume comes with a very SPECIAL Bonus if you have NEVER used my programs before:

FREE Access to Pick3programs for 30 days!

Just purchase the book for **\$9.99** and send me the **special code** you see on chapter 36 titled “**FREE ACCESS CODE**” on the subject line and I will email you the login information to Pick3programs.com. Again, this is only if you have NEVER used my programs before.

If you have used my programs before, I have a Special for you too:

60 Day Access for \$60

For this Special, email me the code you see on chapter 37. I will add 60 days to your account after I get your payment for \$60.

This is NOT on the book - but I will give it to you now;

I can give you 30 Day Access for \$30 if you can not afford the \$60 right now. Good deal, uh?? Just email me the code you see on chapter 37 to get this \$30 Special. And write “\$30 Special” on the body of your email when you email me.

If you are on my **VIP program** (\$60 a month program), you will get this book for **FREE!** If you want to sign up for my ongoing monthly program, you can sign up at the bottom of this page:

The Delta Follower System

The Delta follower system is one of the best, if not the **BEST** system I have ever come up with. This system gives you a list of 60 single followers for all 220 box numbers in the Pick 3 game. I am currently writing the followers one by one; this will take me about 2 weeks to complete. Once I am done, I am thinking of starting a brand NEW book series.

The first book on this series will be **Delta 1**.

So I will have two book series: the **Volumes** and the **Deltas**.

Make \$90 FAST!

I may have to delay writing Volume 2 a few weeks because I REALLY want to write about this brand new Delta follower system, which gives you the numbers for the very **NEXT** drawing. You do **NOT** need a program for this Delta system – and you do **NOT** have to wait for a hit; you see a **HIT** on the very **NEXT DRAWING!** (60 numbers may seem like a lot of numbers but 5dimes.com pays \$150 for a \$1 box hit....

...so this is really a Quick EASY way to make \$90 FAST!

Again: for this Delta follower system you do NOT need a program; **you only need the list**, which I am currently writing.

So just a heads up:

The Delta 1 book will be up on Amazon BEFORE Volume 3 (Florida).

The list of all 220 followers will NOT be free (I am posting some followers for FREE now, but I will not give out the entire list for free.) And feel free to back test the free followers I have posted in ANY state: I am sure you will be very impressed with how frequently these followers hit!

I am not sure how much I will price the list of all 220 numbers, but it will be **\$129** or MORE.

By the way.....

Here is another reason why you should consider joining my VIP program; members of my VIP program will get the entire Delta list of followers (all 220 numbers) for FREE! Again, you can sign up at the bottom of this page: <http://pick3programs.com/info.php?R=P3P&P=Home>

I will send out the link to Volume 2 as soon as it's live on Amazon!
