This is My **Third** Straight Hit This Month

I posted the number 137 and two other Pick 3 numbers for New York last Sunday, May 22, here: <http://alturl.com/qwm6s>

Pick 3: 137, 235, 367

Pick 4: 0267, 0288, 0458, 1147, 1148, 1157, 1158, 1568, 2348, 2458 (10)

My two previous Pick 3 hits this month (May 2016) are 381 and 236:

I hit 381 straight on Saturday May 7.

I hit 236 straight on Tuesday May 10.

This proves that the coding system is no longer just a theory.

The coding system WORKS!

(See page 5 to learn how to get two **FREE** reports that teach you my coding system.)

Keep in mind that the index for the 3 codes I am using is 19. This covers 35 weeks, making the target 17.5. This basically means that I will hit about HALF the time, or every other week. As it turns out, this is EXACTLY what is happening. (See **Book-35** for an explanation of **Targets** and the **Index**: <http://www.amazon.com/dp/B01FUGYZMC>)

If you recall, the 3 numbers I posted for New York last week did NOT HIT: <http://alturl.com/tm5kw>

Good for This Week in New York (May 15-May 21)
Pick 3: 137, 238, 347

.....but **this** week they did.

So that is what is going on; these numbers skip a week, and then they hit the following week. This hit-miss-hit-miss cycle **is predicted by the index** which is HALF the number of weeks: half of 35 weeks is 17.5 and an index of 19 is close to that; so these numbers are hitting about half the time.

See Book-35 for an Explanation of the **INDEX**

TWO FREE Reports

If you want to start **HITTING NUMBERS CONSISTENTLY** in the Pick 3 game in your state, you will have to learn my coding system; it is by far the BEST Pick 3 system I have ever come up with; and that is saying a great deal because I have come up with **many** systems over the years (I have been studying the Pick 3 game for more than 20 years.) And you are in luck because **I am giving away, FREE of charge, two reports** that explain my coding system in detail. First, I am giving away the PDF edition of the **North Carolina** 27 Report book. Below is the link to it on Amazon and the cover.

<http://www.amazon.com/dp/B01FBFLFSO>

I am also giving away another report explaining how to turn the codes into actual numbers to play using the 60 numbers for the following week. If you are on my email list, you should have gotten these two reports, if not, email me with this on the subject line of your email: **"2 FREE NC REPORTS"**. My email is aa2newyork@aol.com.

What I teach in these two reports apply to ALL states.

Read Book-37 for More Details on my Straight Hit

What you are reading here is a condensed version of the full report I provide on my straight hit in **Book-37**. In Book-37 I explain what I did to get this 3rd straight hit in May 2016 in much more detail. I also reveal the 7 secrets or guiding principles I use to get STRAIGHT hits in the Pick 3 game.

7 Secrets to Getting STRAIGHT Hits Revealed in Book-37!

My Balance as of Saturday May 28, 2016

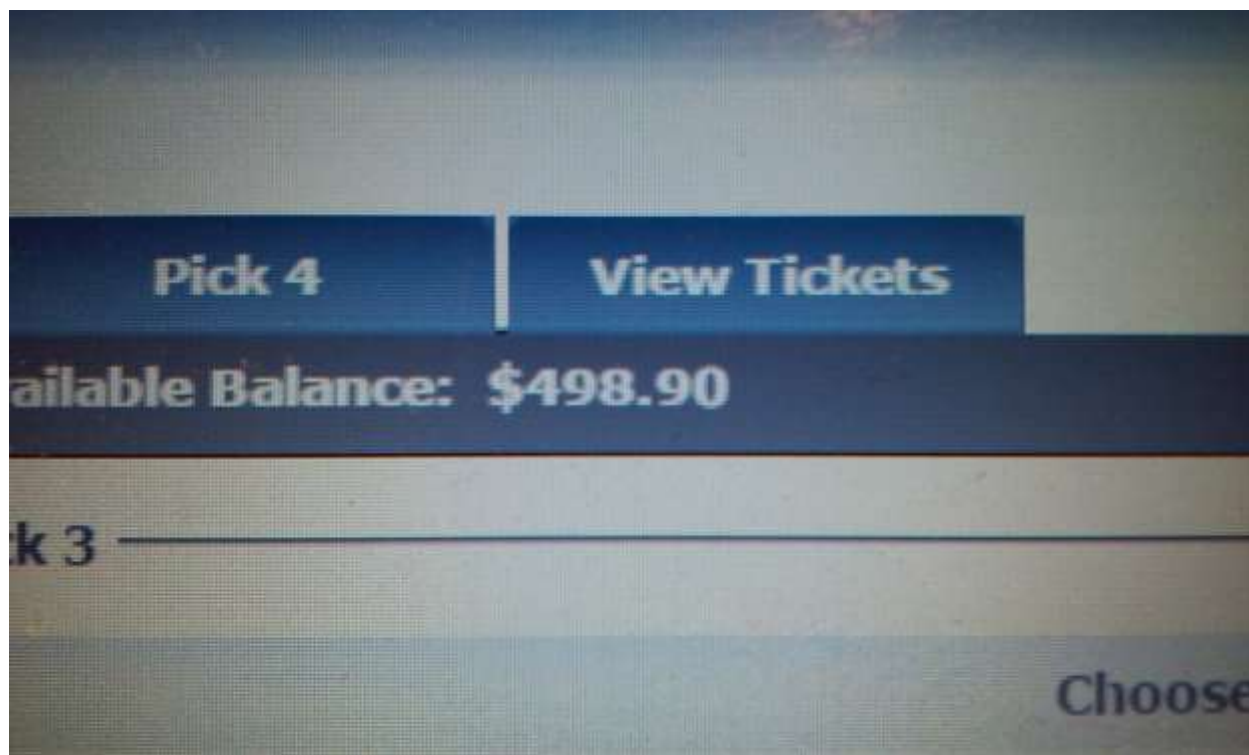

This system is solid – but you have to accept the losses.

Here is a little secret: **to WIN, you must be willing to LOSE. As long as you stay ahead financially, you are good** (I discuss this in more detail in Book-37). So here are some of my losses using my coding system:

I lost \$63 on the week of April 24 – April 30.

I lost \$63 on the week of May 15 – May 21.

But the 3 straight hits were enough to give me a good positive balance of **\$498.90**. So am good to go for June!

Join the 7 Day Club

<https://pick3master333.com/7-day-numbers/>

I am ALWAYS improving my systems. I am always getting better at this and I reveal my latest and **most advanced** material in the latest edition of the 7 Day Numbers book. You can join for 5 weeks (5 Books) for just **\$12. This includes 30 day access to my programs.**

In addition, you will also get a **separate** PDF report that has all the hits from the previous book highlighted in **blue** so they are easier to see. I call this the **Blue Report**. It is super easy to spot patterns when you can clearly SEE the hits highlighted in the report. This report also has a table with all the numbers that hit during the week at the bottom of ALL 26 REPORTS. **This table of hits is a HUGE timesaver.** No need for you to be looking around for what numbers hit during the week for your state or any other state; all the numbers that hit during the week are conveniently listed at the bottom of all 26 reports in the Blue Report.

Special Bonus: The **Blue Report** also includes the **CODES** of all the numbers that hit that were in the Revelation Box!

You will get all this for just \$12:

- **The 5 most recent editions of the 7 Day Numbers Book emailed to you on Sunday morning.**
- **30 Day Access to Pick3programs.com**
- **The Blue Report**

VIP Access and Pick-4 Reports

I recently started coding the Pick 4 game and I am expecting the same level of success in Pick 4 that I am having in Pick 3. This is very **exciting** because a \$1 straight hit in Pick 4 pays **\$9,000** at 5dimes; that is serious money! Even the BOX hits in Pick 4 are exciting:

- **A Regular (1234) \$1 box hit pays \$375.**
- **A Double (1233) \$1 box hit pays \$750.**
- **A Double-Double (2233) \$1 box hit pays \$1,500.**
- **A Triple (1222) \$1 box hit pays \$2,250.**

That is why all my Pick 4 programs are now VIP programs. There are also Pick 4 Reports that are only available to VIP members. You will NOT find these Pick 4 Reports on Amazon because I have no intention of selling these Pick 4 Reports on Amazon. There are currently some VIP Pick 4 Reports (and programs) available for Ontario (Canada), Michigan, South Carolina, Massachusetts, etc. There are also Special Pick 3 Reports. More Reports are coming soon. Below you will see the current list of VIP programs. The Pick 4 programs are at the bottom.

I want to wrap up this report by showing you that I am not the only person who is winning with my coding system. I suggest you go to the page to learn more about their hit.
