

TEXAS: Revelation Discovery for September 3

I am still waiting for the Revelation programs to be updated. In the meantime, let me show you something I just saw in Texas. I will be using all 3 programs (that's the way it works; you use all 3 programs and look for patterns, repeating numbers, etc). I am using numbers going back from August 29 (which the program automatically turns into box numbers): 407 787 961 792 918...etc. Below are the results from the 3 programs and I have the LIST-8 numbers in red because I will be putting them (24 total) on the Group Matching System program at the end.
