

7 DAY NUMBERS Experiment

6 States With 1 to 4 Numbers Good for the Week of October 4-10

I post predictions for 23 states on my 7 DAY NUMBERS book series.
You can see the 23 states listed on this page:

<http://pick3master333.com/results/>

I had a question this morning; what if I isolated those states with 4 or less 3-way and 2-way numbers this week...and then check at the end of the week to see how many of these numbers hit?

That is what I decided to do.

There are 6 states this week with 4 or less numbers. They are listed on this document.

I will check on Sunday to see how many of these numbers hit!

*REMEMBER: If you join my **7 DAY CLUB** (for only \$2.99 per week), I will email you the PDF with the predictions for ALL 23 states every Sunday morning! Email me for details or click on the two PDF reports on top of this page: <http://pick3master333.com/7-day-numbers/>*
