NEW and IMPROVED!

There will be some improvements to this book series starting from this edition. First, you will notice that the hit report for Book-11 is different. Some of the numbers are marked TOP-1, TOP-2, and TOP-3. This is based on a brand new discovery that identifies ONE, TWO, or THREE numbers from each state that has a good chance of hitting. Not all the states have TOP-2 or TOP-3 numbers; but they all have TOP-1 numbers. The best number is **TOP-3**. Actually, once you understand this system, you can just scan all the states looking for this ONE “super number” (TOP-3) and just play this number for the week. I will explain this TOP system in the next book in this series, Book-13, coming out on Sunday December 13. If you are on the **7 Day Club**, it will be emailed to you in the **morning....**so you should have the PDF version of this book before the midday drawing. (This is one of benefits of being in the **7 Day Club**; you get the book early on Sunday morning PLUS you also get 30 day access to my programs!).

From this point forward, I will only have the hit report of the most recent 3 books in front of the book. The hits from the previous books will be at the end of the book.

And finally, I will be including a preview of the next few books in the series at the end of the book. This will give you an idea of what’s coming up.

Join the 7 Day Club

And just as a reminder; you can buy the **7 Day Numbers** Kindle books on Amazon – or better yet, **join the 7 Day Club for just \$12 for 30 days.**

Membership to the 7 Day Club will give you two things:

- **30 day access to Pick3programs.com (normally \$60 a month).**
- **I will email you the PDF edition of the book on Sunday morning.**

This means that you will get the book **before** it goes up on Amazon on Monday (or Tuesday sometimes).

If you want to **join the 7 Day Club**, email me with “**\$12 – 7 Day Club**” on the subject line and I will send you a Paypal invoice for \$12. I will add 30 days to your account right away. You will get the PDF edition of the book emailed to you starting the following Sunday. My email is aa2newyork@aol.com. For faster service, send me \$12 via Paypal to my email and write “**\$12 – 7 Day Club**” on the Notes section so I know what it is regarding.

*In the next chapter I will give you a description of this week's Bonus material.
This week I will discussing **The Money Project**.*

The Money Project

This week I address something that is obvious to those who follow my work; I probably put out TOO MUCH information. That is a good thing and a bad thing. It's good because it keeps things interesting (hey, at least I am not boring!) but it's bad because too many systems, strategies, programs, etc. can be confusing and overwhelming (especially to those who are new to my work). So there is a big need (no, a requirement) for **specialization**. It is very important that you find ONE or maybe TWO approaches, **focus** on that approach or system and really master it. This week I will discuss one such super strategy you may consider specializing in. I will describe a research project you can carry out to learn more about this potentially profitable system.

NOTE: **Specialization** and **Mastery** go hand in hand. They are closely related. So make sure you read the bonus material in the last book, Book-11, where I discussed the subject of Mastery and how to achieve it in the Pick 3 game.

Book-11 is here:

Previous Hits

From this point forward I will list the hits from the last 3 books in front of the book and the hits from the previous books at the end of the book.

You can see all the hits from all the books on this page:

<http://pick3master333.com/7-day-numbers/>

TOP-1, TOP-2, TOP-3

You will notice something new in the hit report for Book-11. Some of the numbers are marked TOP-1, TOP-2 or TOP-3. This is based on a brand new discovery. I will explain this discovery in the next book in this series: Book-13.

Book-13 Preview

I will be explaining another great system in the next book in this series. This system has to do with ONE number on the Revelation Boxes that tends to hit over and over again. You see this number every time you look at the Revelation Boxes on these books. I will explain what I mean in the next book. This is another great system to consider for specialization. Book-13 will be out on Sunday December 13, 2015.

Book-14 Preview

Book-14 will be a very special edition. Here I will teach a system that probably deserves its own book. This system requires you to look at the Revelation boxes and find what I can call the FIRST digit. There is a corresponding playlist for each FIRST digit. For example, if you have **Book-11** (covering November 29 to December 5), look at the numbers for New York. Using the technique you will learn in Book-14, you will know the FIRST digit and the corresponding playlist for New York. In this case, the playlist is this short list of 18 numbers (this list is good for Nov 29 to Dec 5 in New York).

**034 035 036 037 038 039 134 135 136
137 138 139 234 235 236 237 238 239**

Now check this out:

305 (035) hit New York on December 4.
532 (235) hit New York on December 4.
631 (136) hit New York on December 1.
903 (039) hit New York on November 29.

That's four hits from a short list of 18 numbers!

**034 035 036 037 038 039 134 135 136
137 138 139 234 235 236 237 238 239**

I will explain this unique system and provide the FIXED playlist that go with all the FIRST digits in Book-14.

SPECIAL BONUS STRATEGY: I will also show you how to find a SECOND digit to reduce the list further. The second digit here happens to be 9, which reduces the list of 18 numbers down to just three numbers:

039 139 239

Result: 903 (039) hit New York on Sunday November 29!

Book-14 will be out Sunday December 20, 2015!
