

## The **NY Decoding Program** is Up and Running! (seems to work in **FLORIDA** too!)

This is how it looks like on the VIP menu:

### VIP PROGRAMS

#### > **NY DECODING (APRIL 2016)**

- > MATCH 43 FOR R60-40-20
- > 5 DIGITS FOR R60-40-20
- > 1ST TRACK (FULL LIST)
- > 2ND TRACK (FULL LIST)
- > 3RD TRACK (FULL LIST)
- > MASTER NUMBERS-8 (60D)
- > MASTER NUMBERS-8
- > NEW CONTROL LIST (80)

### Here are the program instructions:

Enter the 60 numbers for New York for the following week. This program will list the hottest codes for New York (and the corresponding numbers) as of April 19, 2016. The numbers are good for the next 7 days (14 drawings). How I determined these codes will be explained in **Secrets-4**. The top 3 codes/numbers on the list are the hottest. The numbers are listed on the bottom. The same numbers are listed again in box form arranged from lowest to highest. Underneath you will see the Revelation 4 Box for the 6 box numbers.

**Here is what you do: enter the same 60 numbers you see in the most recent 7 Day Book (which will be Book-31) into the program:**

**This is very important:**

**The TOP 3 Numbers are the BEST numbers:**

18-Code 2-1-2: Number **138**

36-Code 3-1-4: Number **534**

58-Code 4-3-2: Number **268**

40-Code 3-2-4: Number 554

16-Code 1-4-4: Number 044

32-Code 2-4-4: Number 144

64-Code 4-4-4: Number 244

**This means that 138, 534, and 268 are the best numbers to play in NY this week based on this system (now to Sunday April 23).**

**And here is something I just picked up on:  
Most NY players know that NY numbers match  
Florida numbers so I entered the 60 numbers for  
Florida into the program to see what I would get.  
I entered the 60 numbers below (you should have  
this list if you are on the 7 Day Club).**

### **31-Florida Report for Apr 17 – Apr 23**

The output is on the next page.

Notice that one of the top 3 numbers ALREADY hit Florida this week!

**This might just be a coincidence;** but if ONE more of these numbers hits this week and you play Florida numbers, I would suggest you join the VIP program for a month so you can access this VIP program. If you can not afford the \$60, just play the numbers that correspond to these **codes** for Florida next week: 212, 314, 432, 324, 144, 244, 444.

Everyone else; **if you email me the last 100 (or more codes) that you have collected for your state, I will email you back the list of the hottest codes.**

Oh...these codes are conveniently listed for you on the 27 Reports books! <https://pick3master333.com/27-reports/>

**Connecticut** will be up later today!

One more thing; the codes in this program will have to be updated regularly; most likely every month because the hottest codes are not static; they change.
