I have been playing the numbers for the top 3 codes in New York for 2 weeks now. These 3 hot codes are 212, 314, and 432, which gave the three numbers below for this past week of May 1 to May 7 (Book-33):

Code 212 = Number **138**

Code 314 = Number **234**

Code 432 = Number **558**

138 hit as 381. This is the **Straight Number System** I have been talking about in the last few 7 Day Books: you take the top 3 codes and play the corresponding numbers 6 ways which gives you 18 straight numbers to play for the week.

**So it WORKS!!! And I am expecting ONE or TWO more hits from these codes THIS MONTH in New York.**

Now, here is a question for you: **what numbers should I play in New York THIS week (Week 34: May 8 to May 14)?**

How can I know what those 3 numbers are, given that the 3 hottest codes in New York are 212, 314, 432?

**TRY TO ANSWER THIS QUESTION BEFORE GOING TO THE NEXT PAGE.**

If you have been paying attention to what I have been saying in the last few weeks, you should be able to figure this one out.

First, you need the 60 numbers starting from the Saturday before the week, which are conveniently listed for you on every 7 Day Book. Below are the 60 numbers you would use to get the report for this week for New York.

### **34-New York Report for May 8 – May 14**

#### **New York Numbers Starting from May 7 (Book-34)**

256 138 255 799 067 147 269 134 589 066 445 016 355 189 119  
009 236 001 468 228 679 045 017 469 224 027 048 389 247 136  
035 037 023 126 024 123 368 789 044 578 789 579 237 057 124  
056 468 159 138 688 267 148 134 133 034 778 046 139 677 589

*You have to be on the 7 Day Club to have the most recent Book emailed to you on Sunday morning. I never know for sure when the Kindle will be up on Amazon.*

You then copy those 60 numbers and copy them into the **R60**  
**Decoding Program:**

Reference Box Programs

- > REVELATION 60
- > REVELATION 40
- > REVELATION 20
- > **R60 DECODING PROGRAM**
- > REVELATION 4-10
- > REVELATION 4
- > REVELATION 4X

The program will list all 64 codes from the Revelation Box and the corresponding number for every code. However, in this particular case I am only interested in three codes (**212, 314, 432**), which are listed on lines 18, 36, and 58; so I will only list these three lines below.

#### R60 Decoding Program

60 numbers used:

256 138 255 799 067 147 269 134 589 066 445 016 355 189 119  
 009 236 001 468 228 679 045 017 469 224 027 048 389 247 136  
 035 037 023 126 024 123 368 789 044 578 789 579 237 057 124  
 056 468 159 138 688 267 148 134 133 034 778 046 139 677 589

REV4:

0 3 9

1 2 8

2 4 7

4 6 6

18-Code **2-1-2**: Number **138**

36-Code **3-1-4**: Number **236**

58-Code **4-3-2**: Number **448**

Therefore, the three best numbers to play in New York this week (based on this system) are **138, 236, and 448.**

## But how do I know that 212, 314, 432 are hot codes in New York?

Because I collected 100 codes from New York and entered them into the **Straight Group Matching** program and I saw that they are the 3 hottest codes.

Best Programs

- > STRAIGHT GROUP MATCHING 300
- > STRAIGHT GROUP MATCHING 100
- > STRAIGHT GROUP MATCHING 60
- > **STRAIGHT GROUP MATCHING**
- > GROUP MATCHING SYSTEM 60
- > GROUP MATCHING SYSTEM

If you do this, you will most likely get MORE than 3 hot codes; so you may have to find the hottest codes in the most recent 40, 50, or 60 codes to narrow it down to just 3 codes. (I will explain this in more detail in **Secrets-4**.) By the way....this is an ongoing process that has to be repeated at least once a month because the hottest codes change regularly. **The best time to do this would be near the end of the month (say May 28, 29) so you have the 3 best codes for June.**

Where can you get the codes for your state?
