Guess what?

**901 just hit New York – STRAIGHT!**

**I suggest you back test this program in your state. A good way to do this is by entering the 60 numbers from the 27 Report books:**

<https://pick3master333.com/27-reports/>

**.... and then adding 40 numbers to the end. Then look at the numbers that hit in the next week or two.**

**The Pick 4 version of this program is a VIP program. I will be adding two more versions of this program; one for 300 numbers and one for 400 numbers.**
