

80 Straight Numbers for 10 States

The numbers in the following pages are based on the G25 System. This is a pen and paper system, however, I put the system in a program in order to help me to quickly get the 2 most due groups of straight numbers for many states fast (doing it by hand takes too long). So what you will see in this report is the output of the **Workout** program, which is a G25 system based program.

You really have to read the Q4 and G25 Reports to understand how I came up with these groups of numbers. For now, what you need to know is that these straight numbers are due in these states.

However, I just learned this past week that a few of these numbers will hit BOX. So this is what you will most likely see in the next few days: **you will see 1 or more BOX hits followed by ONE straight hit.** The straight hit may come right away, however, what I have been seeing is that a few box hits will usually come before the straight hit.

This is very important: **after the straight hit, you have to get a NEW set of 80 numbers. Do not wait around for another hit after the straight hit; you need to get a new list of TWO set of 40 numbers for your state.**

By the way, the TOP set of 40 numbers is the MOST DUE or COLDEST of the two groups of numbers. For example, group 22 is colder or more due than group 17 in California.

You can get this new set of straight numbers by doing the G25 workout by hand (this is a pen and paper workout requiring the special chart that comes with the system) or with the program I just put up on the VIP section; just enter the last 100 numbers that hit your state and the program will give you 2 due groups of straight numbers:

VIP PROGRAMS

> THE 25 GROUPS

> **THE WORKOUT**

> THE WORKOUT-3

> CALIFORNIA PICK 3

> FLORIDA PICK 3

You can get access to the VIP programs for 90 days.

This is the 3rd level of my training system.

Go here for more details:

<https://pick3master333.com/60-special/>

I can also send you Book-53 for **FREE**. It gives you an overview of my top 3 systems: **Q4**, **G25**, and the **Follow up report**. Just email me with "Book-53-FREE" on the subject line of your email at aanewyork4000@gmail.com – My other email is aa2newyork@aol.com

Please email me and let me know when you see a BOX or STRAIGHT hit from either list of 40 numbers for any of these 10 states this week (Sept 25 to Oct 1).
