

10 Hits in Ohio Last Month

I sent a report earlier this week explaining that now I have my Win 4 programs on the Gold section of my site arranged by how frequently the 70 codes in the program hit. Right now the winner is **Ohio**. The 70 codes that the Ohio Win 4 program is based on hit 26% of the time.

GOLD PROGRAMS

- > **OHIO 26%**
- > **FLORIDA 25%**
- > **NORTH CAROLINA 25%**
- > **VIRGINIA 23%**
- > **NEW YORK 22%**
- > **TEXAS 80 (20%)**
- > **WIN 4 CODING-100**

All of these programs give you 70 Win 4 numbers to play for the two drawings of the following day. All 70 numbers are **doubles** (example: 1123, 0889, 4459, etc.) and they are box numbers. They call all be played for 0.25 cents at 5dimes which is \$17.50 per drawing or \$35 per day. Every hit pays you **\$187.50**.

However, this percentage (26%) is what happened in the PAST.

I call this the **Coding Percentage**.

What is happening **right now** is a different story.

I am calling how frequently the program is hitting **right now** the **Actual Hitting Percentage (or AHP)**.

And guess what?

The Actual Hitting Percentage tends to be LOWER than the Coding Percentage.

This means that the Ohio program will actually hit LESS than 26% of the time right now (the last few weeks or the last 30 days). That is true of all the Win 4 programs; the **Actual Hitting Percentage** or AHP is LESS than the percentage I have listed.

I will discuss this in more detail tomorrow in **Book-77**.

For now I will say that to get the Actual Hitting Percentage for Ohio I had to back test the Ohio program for all of last month: February 1 to February 28.

I found 10 hits.

I decided to mark these 10 hits on my wall calendar with a green marker. You can see them below (disregard the 73, 74, 75: they refer to the Book numbers I put out last month).

There is A LOT I can say right now – but I won't.

You will have to read Book-77 to learn the interesting **IMPLICATIONS** of these 10 hits! I will explain everything in Book-77.

I will email you Book-77 tomorrow if you are a Basic, VIP or Gold member. If you are not a member yet, go to these two pages for details on how to join:
