

How to Use the Key Playlist Report

You have to first read **Book-3** to use this system:

<https://www.amazon.com/dp/B0774KHKQY>

Book-3 will teach you how to get the key based on the last two numbers that hit.

QUESTION

What is the key for the next two drawings if the last two numbers that hit your state are 102 and 103?

ANSWER

You should know the answer if you read Book-3.

Just write down the magic box digits on a piece of paper and cross off the digits from the numbers 102 and 103; the top three digits make up the key.

If you currently have access to my programs, you can use the Daily Hits program to confirm the keys you got.
