

You Only Need Basic Membership

To use the Daily Hits system effectively for the Pick 3 game (and start **Winning**), you only really need the 3 books:

Book-1: <https://www.amazon.com/dp/B076CKW59L>

Book-2: <https://www.amazon.com/dp/B076HNRJ35>

Book-3: <https://www.amazon.com/dp/B0774KHKQY>

And one more thing: the **Digit Playlist 104** program.

This is a Basic program.

I explain why you need this program in Book-3.

Digit Playlist Programs

> **DIGIT PLAYLIST 104**

> MASTER LIST 176

> MASTER LIST 140

> CONTROL LIST 100

> DIGIT PLAYLIST 56

> DIGIT PLAYLIST 64

To make this a purely pen and paper system, you would have to come up with the playlists for the key digits provided by the system by writing out each number.

However, the DIGIT PLAYLIST 104 program will speed things up for you and give you the playlists you need instantly.

GOOD NEWS!

This is a Basic program.

This means that it will only cost **\$20** to use.

Basic membership is \$20 for 30 days.

So if you really want to test out the Daily Hits system in your state (while spending the least amount of money possible), do this: Get the 3 kindles and then join at the Basic level.

And I will make this deal even better:

Email me with this on the subject line of your email:

\$20-BOOKS123-60DAYS and I will send you a Paypal invoice for \$20. This will give you **60 DAYS** of Basic membership for \$20 PLUS I will also send you the PDF edition of Books 123.

I think this is an excellent deal!

This is important:

60 days is more than enough time for you to write out every playlist you will need so you will NOT have to use my programs in the future. Just use the system you learn in the three books (**the BEST system I have ever come up with**) to get the keys and match those up with the playlists you wrote down and you are good to go!
