

A Hot Pair for Georgia

I just learned something really interesting about Georgia. There are two digits in the 40 number distribution that form a **super-hot pair** for Georgia. This hot pair tends to hit several times in the next 7 days. This pair is made up of the 3RD and 5TH digits in the 40 number distribution. You get this distribution on Saturday night. This pair (97 in the distribution shown below) is good for the next 7 days.

6 1 9 2 7

3 8 4 5 0

For example, below is the digit distribution for the last 40 numbers that hit GA starting from Saturday May 19. The hottest digit was 8 in the 40 numbers entered, followed by 1, 0, 2, 3, etc. The coldest digit is 9. The special pair for GA is made from the 3rd (0) and 5th digits (3) which make up the pair **03**.

This pair tends to hit quite frequently in GA in the next 7 days.

Wait until the last number hits on Saturday night.

Enter the last 40 numbers (starting from the last number that hit on Saturday May 26) into either of the Hot Pairs programs. (You are looking for the **distribution**, not the pairs in these programs.)

Once you get the distribution, look at the 3rd and 5th digits. These make up the hot pair for the next 7 days. For example, if you get the distribution below, the hot pair will be 89.

0 4 1 7 6

If you have access to my programs, great.

If you do not, you can get 3 month access for just \$20.

If interested, email me with **\$20-3 MONTH SPECIAL** on the subject line of your email and I will send you a Paypal invoice for \$20. I will give you access right after I get payment.

If you want to learn more about the special (and very SIMPLE) coding strategy I used to find this hot pair for Georgia, I suggest you purchase **Book-3** and **read pages 52 to 58.**

This system uses “**reverse engineering**” to find the hottest pairs in any state. This system is much easier to use than my coding system, which is quite complicated.

I explain my books here:

<https://pick3master333.com/best-system/>

You will have to read the **Coding Report** (Book-2) before ordering **Book-3** (no need to buy Book-1 or the **Introduction** since it is included in Book-2 or the Coding Report).

These books (they are PDFs) are \$60 each, but if you email me with the code below on the subject line of your email I can give you both the **Coding Report** and **Book-3** PLUS the **11 Rules of my \$40,000 System** for \$99.

The special code is: **\$99-Coding Report-Book-3-11 Rules.**
