## My Win 4 System for New York

I have two announcements.

First, I have learned several new "tricks" about my Coding System that will make it work even better. I also have several Updates on the system as well. I will be explaining these tricks and updates in the next report in the series. Just one of the strategies that I will explain in this report is a very powerful strategy for hitting **doubles** called the **3 Week Trigger**.

This report will NOT be going up on Amazon. It will be priced at \$60. You can pre-order this report if you wish (you will get it first before everyone else) by emailing me with **\$60-Book-3** on the subject line of your email. I will send you an invoice for \$60. I will email you this PDF in 2 to 3 weeks. **If you pre-order, I will give you 60 days of Gold Access right away.**

If you look at my hits recently:

...you will notice that I hit 2184 box on April 27.

Ticket	Drawing Date	Drawing	Number	BOX	Bet Amount(\$)	Prize Amount(\$)	Winning #	Win Amount(\$)	Status
495318532-11	04/27/2018	NY 7:20PM	8-4-1-2	Y	0.25	93.50	2-1-8-4	93.75	Won

I also hit 8041 box earlier on April 17.

Ticket	Drawing Date	Drawing	Number	BOX	Bet Amount(\$)	Prize Amount(\$)	Winning #	Win Amount(\$)	Status
493753734-3	04/17/2018	NY 7:20PM	0-1-4-8	Y	0.25	93.50	8-0-4-1	93.75	Won

You will be seeing me get MORE of these Win 4 hits for BIGGER amounts over the next few weeks (a \$1 Win 4 box hit pays **\$375** at 5dimes.com).

My second announcement is related to these Win 4 hits. I have a Win 4 Report for New York players (however, you can use this system in any state if you have a 5dimes account since you can play any state from 5dimes).

**The Win 4/Pick 4 system I explain in my report does NOT require coding.** It is super easy to use and it only requires that you play 10 BOX NUMBERS. That's right; just 10 numbers. All 10 numbers are SINGLES. These are to be played for a 10 day period. After the 10 days, you get a new set of 10 numbers to play. There are 4 important things I want to point out about this system.

**1-You do NOT need access to my programs to use this Win 4 system.**

**2-NO Coding Required. You do NOT need to code numbers to get the 10 numbers this system uses.**

3-You need a 5dimes account to use this system if you are not in New York.

**4-If you live in New York, you can use this system with or without a 5dimes account.**

If you are interested in learning how this amazing Win 4 system works, email me with this on the subject line of your email:
