

Win 4 Excel Sheet!

Get 5 Months of Gold Membership!

I have some EXCITING news!

I recently put out a **14 Number Report** for New York.

This includes an Excel sheet which works as follows; you enter the 40 number distribution on Saturday night (all explained in the Report) and the sheet automatically gives you the hottest pair and numbers to play for the next 7 days (Sunday to Saturday). This system works extremely well; feel free to back test it in New York (you will be surprised how many hits the sheet gives you). If you did not get this 60 page PDF and the accompanying Excel sheet, email me with **SEND 14 NUMBER SYSTEM** on the subject line of your email and I will send it to you for FREE. You can email me at aanewyork4000@gmail.com.

IF YOU ARE NOT IN NEW YORK-The sheet can be **modified** so that it gives you the hottest PAIR and NUMBERS for any state. This requires that you first learn my coding system (I will soon show you a shortcut).

Once you learn my coding system, code the last 20 weeks in your state and use the codes to find the hottest pair and numbers; **replace the codes on the sheet with these codes; now you can use the sheet to get the hottest numbers for YOUR state!**

Here is the **EXCITING NEWS:**

I will be creating the same type of Excel sheet for the Win 4 game!

I am currently putting together all the codes I will need for the New York Win 4 game to make this happen. It looks like **60** weeks worth of codes should work for the Win 4 game (40 weeks works for the Pick 3 game; 20 weeks is the minimum).

To help EVERYBODY with this, I am now offering this SUPER SPECIAL: You can get **5 MONTHS of GOLD** access PLUS **the first 5 LESSONS** of my Pick 3 coding Training program for just \$60.

This means that I will first convert your current membership to Gold (if you currently have access), so if you currently have Basic membership up to say October 10, I will first convert that to GOLD membership (this will give you access my Win 4 programs), **then I will add 5 MONTHS** on top of that – so you will have access until MARCH 10, 2019 (in this particular example).

Not only that, but **I will also give you the first 5 lessons of my Training program as well;** this will help you get started learning the basics of my **7 Day Coding System**. If you want to continue (there are more than 25 lessons), you would pay the regular price (\$60).

(By the way, the price of regular membership to use my programs is only **\$20** for 3 MONTHS – or \$40 for 6 MONTHS; this will give you access to all the programs you will need to code the Pick 3 game; email me if you want a SPECIAL price for 6 MONTHS of GOLD access).

Learning how to code the Pick 3 game is important because I just put together a **Win 4 Training** program - **but you have to learn how to code the Pick 3 game first. After you complete the Pick 3 Program, you can request to take the Win 4 Training.**

If you learn how to code the Win 4 game, you will know what to do to change the Win 4 Excel sheet I will be sending out (based on NEW YORK Win 4 numbers) so the sheet gives the hot Win 4 numbers for YOUR state. This will first require that you code at least 60 WEEKS of the Win 4 game in your state (I am not going to lie; this will require some WORK on your part).

By the way, the sheet will give you **20 hot Win 4 numbers** - but they will be arranged in order of hotness; with the 1st number being the hottest, the 2nd number being the next hottest Win 4 number, etc. **So you play whatever amount of numbers you can afford to play.**

If you would like to get started with **5 MONTHS of Gold** membership PLUS the **first 5 lessons** of my Pick 3 Training, email me with this on the subject line of your email: **\$60-5 MONTHS GOLD-5 LESSONS**. I will send you a Paypal invoice for \$60 right away. After I get payment, I will upgrade your account to Gold (if you currently have access to my programs), then I will add 5 months on top of that. I will also send you the 1st lesson of the Pick 3 **Training** program. If you like the first 5 lessons, you can continue after lesson 5 for \$60.

IMPORTANT: You have to complete the **Pick 3 Training** before you take the **Win 4 Training**, where I teach you how to code the Win 4 game, step by step. By the way, I am using Win 4 numbers for **VIRGINIA** in the Win 4 Training program (however, the coding process is the same for all states).

I will be sending out the Win 4 Excel sheet in a few days.

You can request the **14 Number System** for the Pick 3 game if you did not get it by emailing me with this on the subject line of your email: **SEND 14 NUMBER SYSTEM.**

You can email me at aanewyork4000@gmail.com.

If you just want basic access to my program (Pick 3 only) for the next 3 months, email me with **\$20-3 MONTHS** on the subject line of your email. I will send you a Paypal invoice for \$20; I will give you access right after I get payment.
