

Phone Coaching Available

My last hit in the Win 4 game was 2921 box on October 9.
I won **\$750**: <https://pick3master333.com/box-hits/>

Before that I hit **8393** box in New York on October 4.

Before that I hit **980 STRAIGHT** on August 27.

Before that I hit **381 STRAIGHT** on August 21.

Having said that.....

Is there a Pick 3 or Win 4 system that you have some questions about?

Or maybe you are working on a system and you would like my feedback or suggestions to make it better.

Is there something you read about in one of my reports or Kindles that you are not clear about?

Is there something you do not understand about my coding system - even after you read the Kindle and **The Coding Report?**

I bring this up because I am now offering phone coaching to answer these and any other question related to the Pick 3 and Win 4 games and my **7 Day Coding System**:

<https://pick3master333.com/best-system/>

I will call you (when it's convenient for you) and you will be able to ask me anything regarding any system or program - or anything you have in mind that is related to the Pick 3 and Win 4 games.

In order for me to give you the best possible answer, I would like for you to first email me your list of questions ahead of time. If you will be referencing any of my reports or Kindles, let me know what that report or Kindle (or system) is ahead of time. Having this information ahead of time will help me prepare an adequate response to your question. If you have a system that you want me to help you with, email me the details of the system ahead of time.

The time and price for the phone coaching is as follows:

30 minutes for \$60.

60 minutes for \$99.

If you are interested in 30 minutes of phone coaching for \$60, email me with **PHONE COACHING-30 Min-\$60** on the subject line of your email and I will send you a Paypal invoice for \$60. Once I get payment, I will ask you to email me your list of questions.

If you will be referencing one of my reports or Kindles, let me know what it is (and the page number). If you want my feedback on a system (will it work? how can you make it work better? etc.), email me the details of the system. Once I have gone over your questions, system, etc. we will schedule the best time for me to call you.

If you want an hour of coaching, email me with this on the subject line of your email: **PHONE COACHING-30 Min-\$99**

This is for a limited time only...so act on this now if you are interested.
