Something to keep in mind here is that this is a ONE time offer only. If you want to continue using the programs after the 10 day free trial, I suggest you pay for Basic membership which will give you access to my Pick 3 programs for 3 months (explained on the next page).

**FREE HIT REPORT**—To get a list of all the hits from the Lucky 7 System for the last few weeks, email me with **SEND HIT REPORT** on the subject line of your email and I will email it to you right away.

**JOIN THE LUCKY 7 CLUB**—As a member of the Lucky 7 Club you will get the Lucky 7 numbers emailed to you on Sunday morning; the numbers will be good for the next 7 days (Sunday to Saturday). Membership is just \$10 and is good for 4 weeks. To join, email me with **\$10-Lucky 7 Club** on the subject line of your email and I will send you a Paypal invoice for \$10. You can email me at [aanewyork4000@gmail.com](mailto:aanewyork4000@gmail.com).

**THE 7 DAY CODING SYSTEM**—The Lucky 7 System is based on my BEST system: the 7 Day Coding System, which I discuss here: [pick3master333.com/best-system/](https://pick3master333.com/best-system/) By the way...taking the Lucky 7 Training (explained below) is a shortcut to learning the 7 Day Coding System. In other words, when you take the Training, you will learn how **BOTH systems** work (the Lucky 7 and the 7 Day Coding System).

**LUCKY 7 TRAINING**—If you want to learn how to get the Lucky 7 numbers on your own, I suggest you take my brand NEW **Lucky 7 Training** program. This is an email based Training that will teach you (step by step) how to identify the Lucky 7 numbers in your state. The Training is just \$20 and explains this amazing system from beginning to end. To take the Training, just email with **\$20-LUCKY 7 TRAINING** on the subject line of your email I will send you a Paypal invoice for \$20. You will get the first lesson soon after I get your payment.

**POSITIONAL TRACKING SYSTEM**—The number 587 hit New York on Thursday March 7, 2019. The number 875 was one of the 14 numbers predicted by the New York Lucky 14 program for the week. I hit 587 box - but I only played 3 numbers. That's right...only 3 numbers! **QUESTION:** How did I reduce the 14 Lucky numbers for NY down to just 3 numbers? **ANSWER:** I used my **Positional Tracking System**. This is a system you can use to reduce the 7 or 14 Lucky numbers my programs give you down to just 3 or 4 numbers. I only teach this system in Lesson 32 of my **Lucky 7 Training**. Lesson 32 is near the END of the Training. However, there is a way for you to get this lesson without having to take my full Training. You can get Lesson 32 (along with another very important lesson; Lesson 17) just by themselves (without you having to take the full Training). **BONUS:** This offer gives you Lessons 17, 32 - PLUS 30 day access to my programs. You will get all this for just **\$17**. If interested, email me with this on the subject line of your email: **\$17-Lessons 17-32-30 Days** and I will send you a Paypal invoice for \$17. I will email you lessons 17 and 32 right after I get payment. Read lesson 32 right away to learn the **secret method** I use to reduce the Lucky 7 and Lucky 14 numbers down to just 3 or 4 numbers. I will also give you 30 day access to my programs (or add 30 days if you currently have access). You can email me at [aanewyork4000@gmail.com](mailto:aanewyork4000@gmail.com)

**BASIC MEMBERSHIP (3 Months)**—Basic membership gives you access to all my Pick 3 programs, including all the Lucky-7 programs. Membership is only \$20 for 3 months of membership. If interested, email me with this on the subject line of your email: **\$20-BASIC-3 MONTHS** and I will email you a Paypal invoice for \$20. After I get payment I will email you a username and password to access the programs.

**FREE REPORTS**—After you have access to my programs (Basic membership is only \$20), you can request all my FREE Pick 3 Reports. To get them, simply email me with **SEND ALL FREE REPORTS** on the subject line of your email.

**LOTTERY WISDOM**—I was heavily committed to the WIN 4 game for several months - but recently I changed my mind and now I am 100% focused to the PICK 3 GAME (especially after discovering the Lucky 7 System). Why did I turn my back on the Win 4 game? To learn why, request my FREE Lottery Wisdom report. To get it, email me with **SEND LOTTERY WISDOM REPORT** on the subject line of your email.

**GOLD MEMBERSHIP (3 Months)**—Gold membership gives you access to ALL my Pick 3 and WIN 4 programs. You can see the full list of programs on the menu on the left here: <http://pick3programs.com>. Gold Membership is \$60 for 3 months. If interested, email me with **\$60-GOLD-3 MONTHS** on the subject line of your email and I will send you a Paypal invoice for \$60. **HOW TO HAVE YOUR STATE ADDED**—If you do not see your state on the list below, I can put up a Lucky 7 program for your state for \$40 (this is for a limited time only...so you should act on this quickly!). If you want me to add your state, email me with this on the subject line of your email: **\$40-ADD-STATE**....so if you want me to add a Lucky 7 program for Connecticut, you would email me with this on the subject line of your email: **\$40-ADD-CONNECTICUT**

**HOW TO HAVE YOUR STATE UPDATED**—These Lucky 7 (and Lucky 14) programs should be updated about every 2 months (you will notice that the numbers generated by the programs will not be so “lucky” after 2 months). I may or may not update a particular program every 2 months (depends on how busy I am) - however, you can request an update for any program at any time for just \$40. This pays for me updating the codes (using the codes of the last 25 weeks) and putting up a new updated version of the program. To have a program updated, email me with **\$40-UPDATE-X** on the subject line of your email with X being the state you want updated. A quick note about the Lucky 7 and Lucky 14 programs: Each program gives you 7 Lucky numbers because even in the Lucky 14 programs (they use the top TWO hot pairs instead of just one) the first 7 numbers (based on the hottest pair in the last 25 WEEKS) are the HOTTEST numbers on the list; so all the Lucky 14 numbers give you the Lucky 7 numbers (the first list of 7 numbers).

**FREE 5DIMES REPORT**—Many players are not aware of this, but there is a website where you can make small 0.25 cent bets on the Pick 3 and Win 4 games. This website also offers generous payouts on straight hits; you will win **\$900** on a \$1 straight hit in the Pick 3 game and **\$9,000** on the Win 4 game. That website is 5dimes.com (another URL to the same site is propbet.com). You can call one of the 800 numbers you see on the site if you want more details. You can even open up a FREE account so you can see how the back office looks like (you can put money into your account later). However, you better know what you are getting yourself into BEFORE you put any money into your account. You need to be aware of the pitfalls and traps you need to avoid to use 5dimes successfully and **profitably**. I have a FREE report that explains exactly what you have to do to use 5dimes successfully. To get my FREE report, simply email me with **SEND 5DIMES REPORT** on the subject line of your email and I will email it to you right away.
